WELCOME BACK!

As I stood by the school gate on Tuesday morning, I was delighted to see our students returning to school with big happy smiles on their faces. They shared with me the most exciting stories of their holiday adventures. These included plane trips, waterslide fun, snowball fights and even the purchase of magic shoes with secret bits!

Term 3 promises to be another busy term for us. As the days get longer and the weather slowly warms up, get ready for some notable occasions such as the Country Gold Carnival and Dance Event, as well as school photos, primary camp and much more.

On Monday, we welcome Duncan Walker back from his well-deserved break. Although I have thoroughly enjoyed stepping into his role, we will all be glad to have him back at the helm once more. I would like to sincerely thank Ms Christine Orchard for the wonderful contribution she made to our school in my time off class.

NAIDOC ASSEMBLY

Our first assembly for Term 3 will be held **tomorrow**, Thursday the 21st of July, at 2:20 pm. The focus of this assembly will be the showcasing of the wonderful activities completed by our students to celebrate NAIDOC week.

COUNTRY GOLD TRIAL DAY

Just a reminder that the Soccer and Hockey selection day is on this **Friday**. As it is very easy for notices to get misplaced and overlooked during a holiday, if your child was selected to try out, could you please check that the consent form has been returned.

BUS

Recently teachers have noticed parents leaving the school grounds while the Legerwood bus is still standing at the bus stop. While we appreciate there are times when parents need to collect students in a hurry, this is not a safe practice. Please exercise care in this regard and wait patiently with your child until the bus has departed. Alternatively, consider using the main entrance if you are on a tight schedule and need to leave before 3 o'clock.

You might also be interested to know that we are trialing a new system with our bus register in the hope that it will simplify the procedure. Previously, the bus register has gone around the classrooms and students have been asked if they are aware of any change to their normal routine. These changes have then been recorded by the teacher. In the future, the teacher will ask for any notes regarding changes at attendance time. Alterations will then be made in the bus register at the office. Thank you for your support in these matters.

UTAS VISIT

On Tuesday, 26th July, students in Grade 4/5/6 will be receiving the first of four visits as part of the University Students in Schools program. The purpose of the project is to build relationships between UTAS students and school students through a series of fun and engaging activities. Please feel free to contact me if you would like any more information regarding this program.
