CAMP

Last Wednesday, Thursday and Friday I had the pleasure of going on the Grade 3-6 annual camp. This year we went to Camp Clayton. The focus of this camp was team building and resilience. It was great to see so many students take on challenges that they would normally hesitate to attempt and the confidence gained during the 3 days was significant. Thank you to Narelle Saward and Phillip Jeffrey for coming along to ensure the students had a valuable learning experience. The students are already talking about camp next year.

SURVEY

Today all families have received a letter about our yearly School Satisfaction Survey. The survey is totally anonymous and assists us with our future planning in terms of student safety, interaction with parents and our wellness programs. Students in Grades 5 and 6 completed the survey today and staff will be completing theirs in the next week.

It may either be completed online, returned to the office and the data will be inputted by Mrs Steel, or you may contact the office if you wish to use a school computer to complete the survey. The survey closes next Friday, 16th September and the more completed, the more we gain an understanding of our school community.

2017

We are starting to look at planning for 2017 and ask if you know that your child will not be attending our school, can you please contact the office. Also, if you know of anyone who is eligible for Kindergarten next year (born in 2012) and they do not attend our Launching into Learning program can you please encourage them to contact Mrs Steel in the office.

POPSTARS EXCURSION

Today all students in Grades 2-6 received a letter regarding their excursion to Scottsdale High School to watch their performance of *Popstars*. We ask that the permission slip be returned promptly to finalise this day.

BRIDPORT COMMUNITY PLAYGROUND

As part of strategic planning for Bridport, a new children's playground will be installed that caters for all age groups and is a destination for everyone to enjoy.

Dorset Council has committed \$100,000 towards Stage I of this project, which is focused on providing equipment for **older children**. The Lions Club of Bridport have committed \$20,000 and the project has also been awarded \$50,000 through the Tasmanian Community Fund.
